Dear Parent or Guardian:

Thank you for considering the Nursery Foundation for your child/children's care and early education. Please take time to read this information packet carefully.

When you return the application, make sure that your child/children's doctor has completed the Medical Examination Form and bring their original shot record. We will photocopy it and return it to you. In order to qualify for the sliding tuition fee scale, you will need to bring your three most recent earning statements (pay stubs). If you are married, we will need income information for both parents.

All tuition fees are based on the family's gross income and family size. In addition to the tuition fee, we require a registration fee of \$35 for the first child in one family that is enrolled. Additional children enrolled at the same time are an additional \$15 each (children enrolled at a later date will be charged a \$35 fee). The registration fee and the first week's tuition are due before the child's first day in class. Payment of the registration fee can be reserve enrollment space up to 30 days in advance from the date of the payment.

The Nursery Foundation participates in the Community Food and Nutrition Assistance-Child and Adult Food Program (CACFP). If you have any special dietary needs please see the Enrollment Coordinator to determine if we can meet your needs.

Our operating hours are 6:30 AM until 6:00 PM, Monday through Friday, year-round.

If you have further questions or concerns about our center, would like to arrange a tour or are ready to enroll your child, please call 533-0671 and ask for the Program Director. She will be happy to answer your questions, arrange for a tour or help you enroll your child. To ease the transition for your child, we require that you and your child complete a half-day visit prior to beginning regular classes.

Sincerely,

Terri Olack, Executive Director
